IN RE: Joint Application of OCMC, Inc. and One Call	)	ORDER CANCELLING
Communications, Inc. for a Certificate of Public	)	CERTIFICATE
Convenience and Necessity to Provide	)	
Interexchange Telecommunications Services,	)	
for Alternative Regulation, and for Approval of	)	
a Transfer of Assets.	)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of The Meridan Group on behalf of OCMC, Inc. d/b/a One Call Communications and/or Opticom (OCMC or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide intrastate interexchange telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted OCMC authority to provide telecommunications services in the State of South Carolina by Order No. 2002-602, dated August 23, 2002, *Order Approving Asset Transfer and Granting Certificate to OCMC, Inc. and Cancelling Certificate of One Call Communications, Inc.*

By letter filed June 9, 2006, through the President of The Meridian Group, the Commission is advised that on May 12, 2006, Meridian Financial Advisors, Ltd. d/b/a The Meridian Group was appointed as the Receiver of assets, property, and business of OCMC pursuant to an order entered by the United States District Court of the Southern District of Indiana. The Meridian Group seeks cancellation of OCMC's Certificate of

Public Convenience and Necessity to provide telecommunications services in South Carolina. According to The Meridian Group, OCMC is no longer conducting business within South Carolina. The Meridian Group adds that The Meridian Group is working to transition customers to other carriers and is continuing to finalize the cancellation of any agreements.

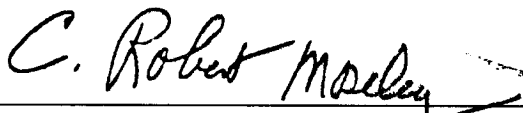

As OCMC is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that OCMC's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services in the state of South Carolina authorized by Order No. 2002-602, dated August 23, 2002, issued to OCM, Inc. is hereby cancelled.
2. This Order shall remain in full force and effect until further Order of the Commission.
